I CAME TO TEACH THE NEW WINE
Do not put my New Wine in Your Old Wineskins

I have been warning Christians not to listen to Christian Prophets today because they seem to be receiving their data from the Anunnaki, Elohim, Fallen Watchers aka ALIENS. Strange as it may seem unless you have had encounters with aliens or have DONE YOUR HOMEWORK about them, most people think aliens are a product of someone's imaginations. These rather clueless people think all of us who are exposing the existence of aliens are conspiracy theorists.

Unfortunately for these closed minded people they will at some point have a rude awakening.

The Bible is full of Jewish and Hebrew stories of alien encounters and solar ideologies. The names for these evil beings vary and their are many names for these alien gods depending on what nation, tribe and people that spoke of them.

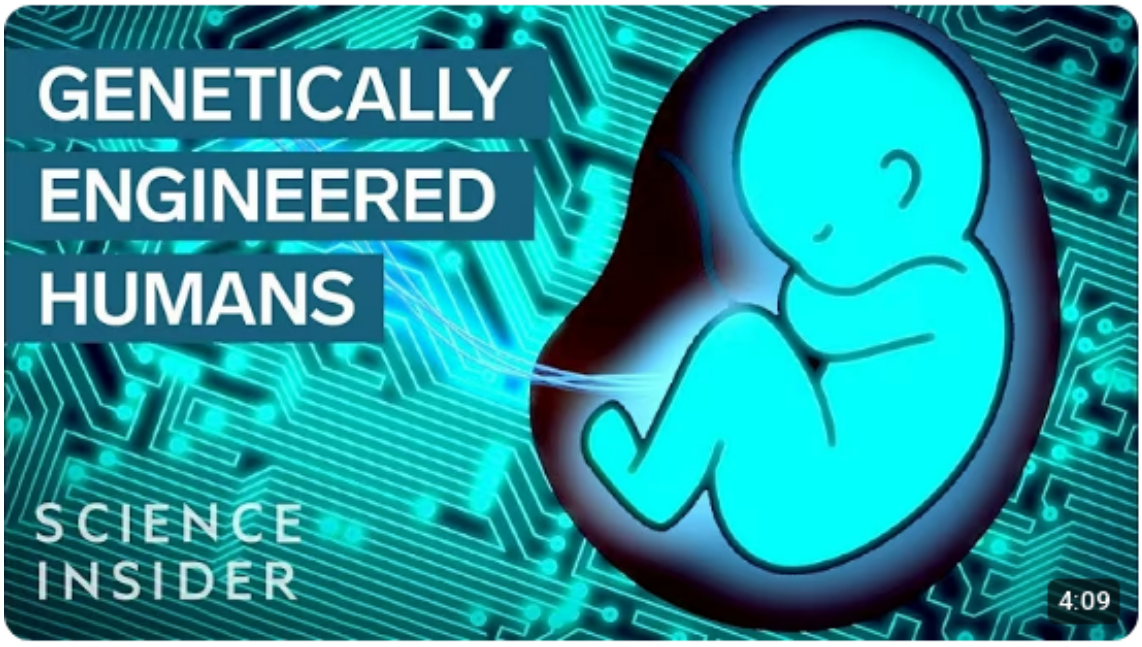
FOOT EVOLUTION

It is my way of warning you that this is part of the lies we have been taught and are being taught today at the End of the Various Ages TIME FRAME where Jesus warned us about the END TIME DELUSIONS OF MANKIND. He said that most of mankind will fall for the massive lies we are being taught instead of checking the facts and DOING OUT HOMEWORK. He spoke against the newly forming Jewish and Roman Orthodox Catholic and Christian Church's (JROCCC) when he was on earth. Not just the JROCCC and their PIOUS FRAUD Bibles but seemingly against the fundamentalists who he claimed would **NOT MAKE THE CUT** when he returns saying YOU NEVER KNEW ME.

> What did Jesus mean when He said, "I never knew you. ...
>
> May 15, 2023 — When Jesus said, "I never knew you," to the feigned disciples, He meant that He never recognized them as His true disciples or His friends.

Jesus' declaration, "I do not know you," "You do not know me" or similar phrases. They appear in these two key biblical contexts: first, in John 14:9, where Jesus questions the lack of understanding from his apostle Philip, and second, in Matthew 7:21-23, where he tells his followers that on the Day of Judgment,

he will not save/rescue or protect them. He seems to have been saying that they **never knew who he really was**. He will say, "I never knew you," to people like the Catholics and Christian fundamentalist despite their claims of doing mighty works casting out demons and healing people. Jesus seems to have placed certain souls on earth originally, whose descendents became HIS PEOPLE. It appears that after the FALL OF MAN these souls are being recycled in and out of life times on earth to MAKE THINGS RIGHT. These phrases "I do not know you or you do not know me" emphasize the importance of a genuine, personal relationship with Jesus ONLY not with the JROCOC churches or their FALSE teachings. Jesus seemed to be saying if you know me and worship me ONLY than I will set you free."



Aliens lie all the time. They are referred to as the "author of lies." They have been telling their victims that they CREATED US from primates and that that they are the evolutionist's aka the MISSING LINK. However, Jesus teachings DISAGREE.

Ancient Aliens: HIDDEN ALIEN CODE IN DNA UNCOVERED (Season 13) | History
https://www.youtube.com/watch?v=PZsgwt06K2o

Jesus and science seem to be telling us that human beings have been DEVOLVING not EVOLVING. The alien story makes the claim that they have upgraded human beings from primates. I say HOGWASH. They are the cause of the FALL OF MANKIND and are busy today to complete their control over all of us as the DEEP STATES pushes their ALIEN AGENDA'S.

One of the ways that aliens have modifying human DNA is by genetically CONTAMINATING and REMOVING 97% of our ORIGINAL DNA and replacing it with their ET Junk DNA, primate

DNA and "Other" DNA. I will add an article about it at the bottom of this article.

ON THE OTHER HAND

Jesus tells us that he created us and that we were once **INCREDIBLE BEINGS** and will be again soon.

ELOHIM
'THE POWERFUL ONES

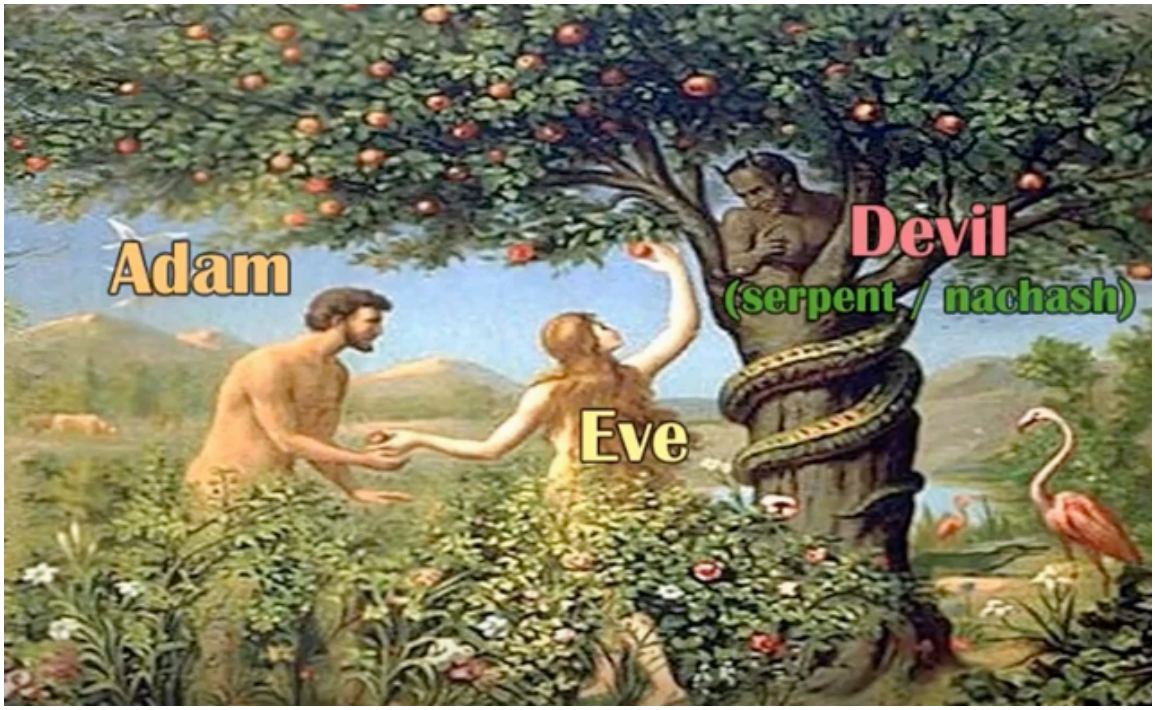
I LIKE PAUL WILLIS. I disagree with the direction he goes because he buys into the ALIEN VERSION OF HOW MAN WAS CREATED. He himself had a UFO encounter. Nonetheless, he takes us back to the origins of where the Jewish and Hebrew

stories came from which was ancient Mesopotamia and give us some good information I am sharing with you.

Paul takes us back to Mesopotamia and their gods that were aliens. There were the nasty ones and the more benevolent ones but they were all the enemies of mankind generally speaking just as Jesus seemed to be saying (all who came before me were thieves and robbers). Satan was depicted as the Snake. His alien human bloodlines were referred to as the "sons of the serpent." Abraham seems to have been involved with the more benevolent alien Elohim and they appear to be the Nordic Aliens who he and his family left Mesopotamia worshipping. Which ever group Abraham actually worshipped they were the "thieves and robbers."

It looks like Abraham was the father of the Israelites not the Jews. It looks like the Jews have written their story lines into Abraham's storyline to me. The story is a convoluted mess because the authors of the Old Testament have lied to us BIG TIME. To read the Old Testament Symbolic illusive stories and language you have to be a code breaker. "NOTHING IS AS IT SEEMS." Everything is shrouded in symbolic ideologies and language.

EXAMPLE OF CONVOLUTED SYMBOLIC STORIES



ONE VERSION OF THE STORYLINE:

In the Adam and Eve story aka the Persian Gulf version, I think what we find is that the Nordic Aliens fashioned ADAM out of the clay of the earth. Clay represents people groups just like sand does.

It is a reference to how many people lived on earth before the hybridization essentially and how malleable their DNA was to alien manipulations aka hybridizations. Symbolism tells us that hybrid man was described as a clay model because alien human hybrids were genetically artifically molded into being by aliens.

The story tells us symbolically that Adam and Eve were hybridized and then placed in a garden, which was a common theme back then. In that garden was an evil alien human hybrid serpent bloodline tree (people group) that the Nordic's warned Adam and Eve not to mingle with. The story is told symbolically and we really do not know who the players were because the texts are so illusive and the **opinions vary**.

Paul Wallis tells us the alien version of the story that goes back to Mesopotamia.

Another version that makes sense to me is that Jesus created the ORIGINAL MAN and placed them on earth, which was described as a garden. 1 John tells us that Jesus created everything originally that nothing on earth was created with out Jesus. The garden seems to be the world. However, in the world aliens also created alien human hybrid bloodlines. The worse evil bloodline group Satan created was referred to the Serpent Bloodline that we are dealing with today that had its origins in Mesopotamia, where most of the Old Testament STORIES came from.

Personally I believe these stories are woven together by very deceptive writers and organizers with hidden agenda's who to me were the Jews and pagans.

I recommend you listen to Paul as we try to us our detective skills to find the right puzzle pieces to put on our puzzles. Because the JROCCC and their Bibles and other documents are so full of controversial data, we all wind up speculating in the End. I also recommend that you Google Jordan Maxwell and listen to a few of his video's. Listening to all side of these ancient documents helps up figure out what was going on back then.

What Religion Don't Want You to Know About the Moon God | Jordan Maxwell
Religion won't tell you this: the Moon God Sin (Sumerian/Arabic) hides inside words like Sinai and synagogue, shaping lunar calendars, sunset holy days, and ancient rites. Jordan Maxwell uncovers how moon worship, Saturn/EL, and even Dagon seeped into Judaism, Christianity, and Islam through symbols, ...

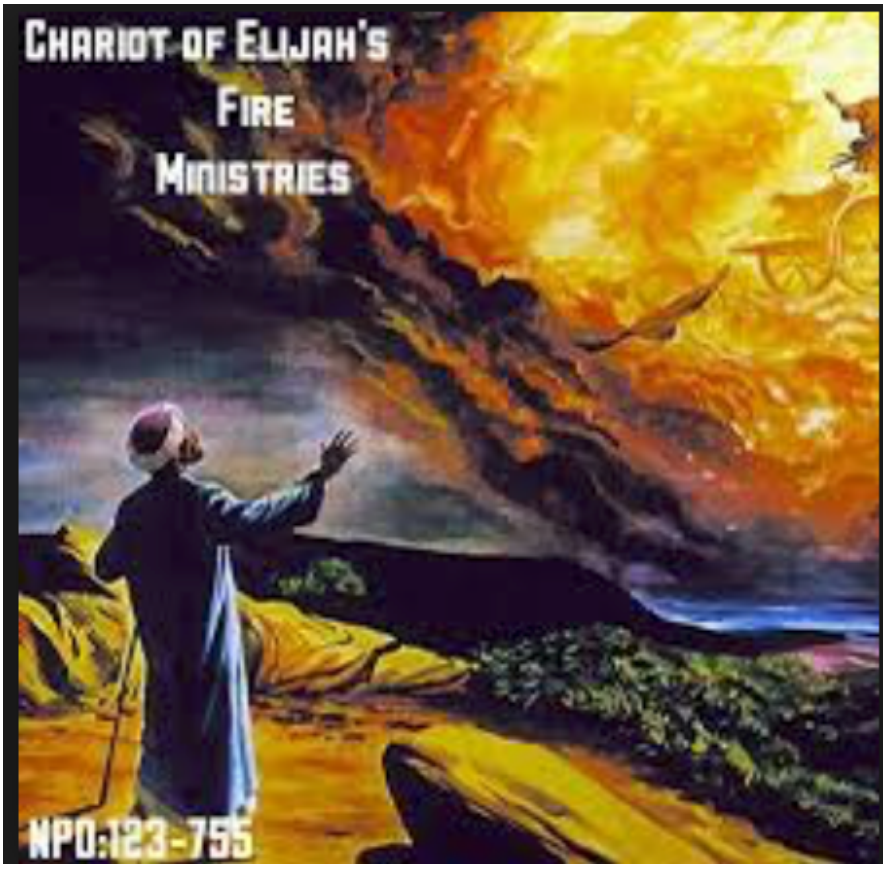
He helps us understand the symbolic wordings and ideologies hidden within the Bible the JROCCC. Once you understand that we have been laid to BIG TIME by the JROCCC you will either walk away from religion PERIOD or do what I did and that was to

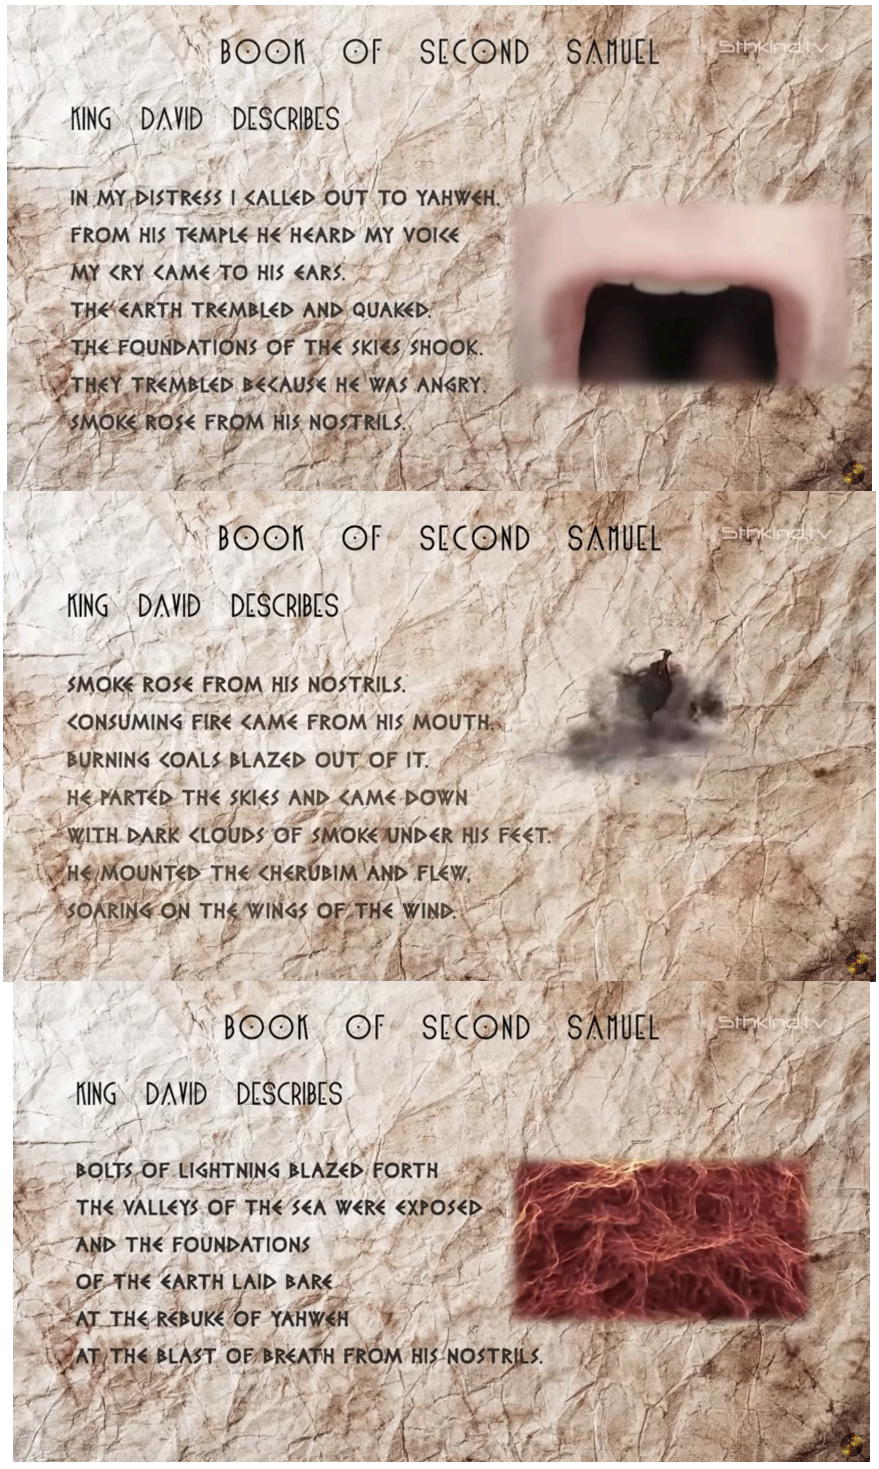
GO ON A SEARCH FOR THE REAL JESUS AND THE ORIGINAL JESUS MOVEMENT that was DESTROYED by the JROCCC.

WHEN YOU TAKE AN HONEST LOOK AT THE OLD TESTAMENT WRITINGS YOU WILL DISCOVER THAT THEY ARE NOT god STORIES THEY ARE ELOHIM ALIEN STORIES

EXAMPLE:

King David is referring to an alien Elohim not OUR HEAVENLY FATHER or Jesus. Yahweh was known as a lesser Elohim





BOOK OF SECOND SAMUEL
KING DAVID DESCRIBES
IN MY DISTRESS I CALLED OUT TO YAHWEH.
FROM HIS TEMPLE HE HEARD MY VOICE
MY CRY CAME TO HIS EARS.
THE EARTH TREMBLED AND QUAKED.
THE FOUNDATIONS OF THE SKIES SHOOK.
THEY TREMBLED BECAUSE HE WAS ANGRY.
SMOKE ROSE FROM HIS NOSTRILS.
BOOK OF SECOND SAMUEL
KING DAVID DESCRIBES
SMOKE ROSE FROM HIS NOSTRILS.
CONSUMING FIRE CAME FROM HIS MOUTH.
BURNING COALS BLAZED OUT OF IT.
HE PARTED THE SKIES AND CAME DOWN
WITH DARK CLOUDS OF SMOKE UNDER HIS FEET.
HE MOUNTED THE CHERUBIM AND FLEW,
SOARING ON THE WINGS OF THE WIND.
BOOK OF SECOND SAMUEL
KING DAVID DESCRIBES
BOLTS OF LIGHTNING BLAZED FORTH
THE VALLEYS OF THE SEA WERE EXPOSED
AND THE FOUNDATIONS
OF THE EARTH LAID BARE
AT THE REBUKE OF YAHWEH
AT THE BLAST OF BREATH FROM HIS NOSTRILS.

Elohim came in UFOS that had fiery exhausts

To the ancients these were not unidentified flying objects because they saw and interacted with them.

They were known to be noisy and created a lot of wind.

Scholars suggest Human DNA shows signs of being an Invasive Extraterrestrial Parasite

Many scientists have documented that over 95% of Human DNA does not have a known purpose. This DNA has been colloquially referred to as "Junk DNA".

Up to 97% of the human genetic information (DNA) is seemingly needless, repetitive "junk" - only about 3% is known to generate proteins, deserving the name "gene". The rest used to be called "junk DNA", lately renamed as "non-coding introns", sometimes labelled by the mysterious, though not very explicit description that these self-similar strands "regulate gene expression". LINK

However, other researchers have not been content to simply classify this predominant part of DNA as "one of life's mysteries".

Scholarly groups at the forefront of investigative researchers are gathering details which suggest that DNA may not substantively exist as a "building block of life". Rather, it appears that the substantive function of DNA is to act as a "parasitic inhibitor" and "regulator" of life on planet Earth.

Dr. John Lash documents, for example, in metahistory.org:

Recent work by Russian biologist Piotr Garjajev and some Russian linguistic experts suggests the same thing, and, more specifically, this research may show that junk DNA, rather than being a discard, is “a computer hologram that works with laser-type radiations.” In short, DNA is an extraordinary generator of perceptions, an instrument of virtual reality.

By accepting the link between DNA and emotional and mental activities, we may begin to imagine DNA as a complex program that directs the life process (regulating our metabolism, for instance), but impedes our consciousness from complete manifestation. LINK

Research testimony that includes ancient representations, suggest that DNA was implanted in humanity by Manipulative Extraterrestrials. The fact that over 95% of DNA does not support vital biological living processes suggest that it is conceivable for biological life to exist without any DNA.

More than 95 % of all DNA, had been first called "Junk DNA" by molecular biologists, because they were unable to ascribe any function to it. They assumed that it was just "molecular garbage". But, if it were "junk", the sequence of the "syllables", i.e. the nucleotides in DNA should be completely random. However it has been found that the sequence of the syllables is not random at all

and has a striking resemblance with the structure of language (ref. Flam, F. "Hints of a language in junk DNA", Science 266:1320, 1994), that is alien to humanity. Scientists now generally believe that this DNA must contain some kind of coded information.

You might wonder, what understanding of our human origins could account for the parasitic implanting of DNA into biological life on planet Earth? Indeed, this further inspires the question; who are we? What are our origins; why do we exist' and from that context, where are we going? For starters, it is vital that we as humanity begin to question the "understandings" of reality, that have been presented to us, by elites who have been documented time again, for spinning a "web of deceit". In this context, it is also correspondingly vital to critically consider prospective new insights, irrespective of how much the Establishment responds with denial.

The existence of historical and on-going Extraterrestrial contact with Earthbound humanity, has been at the forefront of this denial. Indeed, the alleged contactees of both Manipulative and Ethical Extraterrestrials offer insights into a context of genetic manipulation within biotic life on Earth.

The article titled "Scholars suggest Extraterrestrial-like DNA fractals floating in the Human Gene Pool" explored fractals as evidence that Manipulative Extraterrestrials may have sought to genetically manipulate and control humanity. LINK. A group of researchers associated with Fractogene.com document these apparent similar artificial "fractal signatures" across different biotic life forms on Earth:

This uncertainity if "junk DNA" is really "junk", that caught some scientists by surprise, is now history. Indeed, scientists were

never quite sure that any part of DNA could be discarded outright, and even the question was raised if introns might play a role in evolution, see Mattick, 1994., Klyce, 2002). The bombshell of the 5th of December issue of the highly reputed Nature 420, 509 (2002) revealed that the 99% of the genes of the mouse have direct equivalents with the humane genes. What does this mean?

FractoGene's pending patent, conceives life on Earth as being linked to a fractal elaboration of a gene by its introns (the fractal model of Purkinje cell was published by Pellionisz, 1989). In so doing, Fractogene seems to have stumbled upon "introns" as Manipulative Extraterrestrial signature of the demonic inorganic mechanical intelligence that ancient pagan Gnostic referred to as "artificial man" or the "archons". Introns, derived from the term "intragenic regions" and also called intervening sequence (IVS), are DNA regions in a gene that are not translated into proteins.

Many studies have documented evidence that introns are either directly or indirectly involved in cancer causation, and other diseases. Mutations in the introns have been specifically linked to cancerous "tumorigenesis progression."

Among the many other intron genetic variations that have been linked to cancer (in this case lung cancer) is a K-ras intron variation involving tandem repeats in the H-ras 3'-untranslated region. Mutations in introns may influence neoplasm development because mutations that occur in introns (or in the DNA sequences that flank the gene) can affect the various steps required for normal expression of the gene even though the intron codes may not be detectable by studies of the protein product of the gene. If the defective expression of a gene product is a tumor suppressor gene or a proto-oncogene, cancer may result.
